

DOLCE & GABBANA  
*Sicily is my Love*

DIVINA CUCINA

Dolce & Gabbana and Smeg unite their artistic sensibilities in a journey to discover the colours and beauty of Sicily for an authentically 'Made in Italy' project under the shared standard of creativity, art, and design. Divina Cucina is a tribute to Italy's roots, its traditions and popular festivals in the form of a new freestanding kitchen set and cooker hood with a coordinated Fab28 fridge, rendered unique by bold colours and narrative intensity. The collection is presented in two variants, one characterised by representations inspired by the Sicilian puppet theatre and the traditional hand-painted cart, where the dominant tones are fiery red and orange, the other only by a majolica print in shades of blue and white. All of this has been made possible thanks to Smeg's long experience in quality appliances and the creative soul of Dolce & Gabbana.
