

# BUY FROM AUTHORIZED RESELLERS ONLY!

## WARRANTY

Products NOT bought from Authorized Resellers **WILL NOT BE** entitled to any Malaysian warranty.

Imagine saving only around RMXXX on a Smeg appliance only to have it potentially fail after 3-6 months due to some unforeseen reasons. Without warranty, your appliance will not be repaired nor serviced, rendering your investment wasted. Plus, as the official Smeg Partner, we will use only genuine and original Smeg spare parts for all repairs and service.

## SIRIM APPROVED

Products distributed by the official Smeg Partner in Malaysia have been tested and inspected by SIRIM and affixed with official SIRIM label. This means that products have been certified to be safe for use in Malaysia.

Products bought from overseas or from unauthorized resellers **DO NOT** have the SIRIM label and have not been inspected by SIRIM officials and thus, are **NOT certified** to be safe for use in Malaysia. Products without official SIRIM label **may be confiscated** by SIRIM officials upon discovery.

## SAFETY

Products distributed by the official Smeg Partner in Malaysia have been tested and certified to be safe for use in Malaysia.

Due to unknown origins of products that are sold by unauthorized resellers, some of these products may NOT be suitable for use in Malaysia due to different electrical requirements between countries. This can cause untold damage not only to the product itself, but also to other products and areas in your home.

## ORIGINALITY

Products distributed by KITCH (M) SDN BHD, the official Smeg Partner in Malaysia, are directly imported from Smeg and are genuine products.

Products that are sold by unauthorized resellers are not verified in Malaysia and thus, we are unable to confirm the originality of the product. Any amount spent on a fake product is money wasted as you will not get to enjoy the benefits of the genuine product.

Please rest assure that the money you spent on a genuine Smeg product from an Authorized Reseller is well worth the investment as you will get to enjoy a worry-free benefits of the appliance. Our team at Kitch (M) Sdn Bhd is on hand to assist you from planning, to selecting, to purchasing, to delivery and to providing after sales service.

You will have peace of mind when purchasing Smeg products from Authorized Resellers.
